

312 Wyndale Drive
Chalfont, PA 18914
267-218-1042

We are moving in. We are pleased to announce that we have opened our New Distribution Center Facility in Lansdale, PA. Our new facility has allowed us to stock more products.

To compliment our Control and Circuit breaker products we have added two new lines:

Encapsulated Control Transformers from 25 to 1000 VA with UL, CE and CSA Approvals. **IN STOCK NOW!**

Polymer Concrete and HDPE Splice Boxes. **IN STOCK NOW!**

Please see our new Line Card inside. Try us, we promise to exceed your expectations.
